# SB SERIES

For dock to door protection, **SB SERIES** is the perfect solution to reduce overall packaging costs per load for a wide range of agriculture, commercial, and industrial markets and goods.

- **Protection**
- **Performance**
- **Value**

- Protect corners from shipping and strapping damage
- Stabilize and unitize loads for safe handling, transportation and storage.
- Protect single carton shipments. Reduce damage replacement costs.
- More pieces per truckload reduces freight costs per piece.
