Jumbo Corner™

The simple, low cost solution to product protection
Jumbo Corner™ laminated paperboard packaging provides superior edge protection to prevent product damage that can occur during shipping and handling. Its preformed 90 degree angle provides superior strength advantages for corner protection and allows for bulky products to be easily unitized.

Jumbo Corner has a smooth surface and interior that is non-abrasive to products. Its standard exterior is a white clay coat, but other finishes are available to meet your specific applications. Jumbo Corner can be treated with a variety of protective coatings that offer moisture and corrosion resistance. Color printing is available for product identification and point-of-sale merchandising.

**Specifications**

Jumbo Corner sizes are based on the following dimensions:

- **Leg height** – Available from 1-8 inches (25-203 mm)
- **Base width** – Available from 5-12 inches (127-305 mm)
- **Caliper** – Available from .060-.500 (1.5-13 mm)
- **Length** – Available up to 53 feet (16 m)
